

A stylized illustration of a castle with three towers and a central archway, rendered in a simple, graphic style. The castle is composed of black outlines on a white background. The central tower is the tallest, featuring a crenelated top and a small arched window. It is flanked by two shorter towers, also with crenelated tops and arched windows. A decorative horizontal band with a repeating zigzag pattern connects the three towers. Below this band is a large, central arched entrance. The entire structure is set against a plain white background.
